

POOL USE

Since I have cut back to teaching only two weeks of the summer, there is more pool free time. The pool is being heated and treated so it should be enjoyed. If the aquatic center is too crowded or inconvenient for you, feel free to contact me for availability.

To cover the cost of bromine, heat and maintenance, the cost is \$35 for one hour or \$55 for 2 hours with a 2-hour maximum. You are welcome to use lifejackets, snorkel equipment, kickboards, noodles, and diving brick.

CONSIDERATIONS

- Number of people in the pool needs to be limited to 8 (for safety)
Non swimmers of any number are welcome
- Be aware that I do not have insurance that would cover any accident or injury. Please fill out and bring a WAIVER with you. Waiver forms are available on the website. Adults need to sign for their OWN CHILDREN.
- I love dogs and other pets but please leave them home.
- Please no glass containers or food in pool area (ants are on the march!)
You are welcome to have your treats out on the lawn after swimming.
- I may not always be nearby during your pool use time but will give you opening and closing instructions.
- If weather prevents your fun, we can reschedule or refund.
